

# BEAUTIFUL HAIR IN A NUTSHELL

- **Softens** thick, unmanageable hair
- **Restores** shine and softness to dull, lifeless hair
- Instantly detangles for ease of combing
- Helps eliminate frizz and controls flyaway hair
- **Strengthens** brittle hair
- **Heals** and repairs hair damaged by colouring and styling
- **Soothes** the scalp (alleviates itchy, dry scalp)
- **Protects** against UV damage and other environmental factors
- Reduces drying time by up to 40 %
- **Rejuvenates** and softens hair extensions, wigs and practice heads. (does not weaken extension bonds)
- Used as an additive to hair colour and bleach **Amargan** oil gives increased condition and colour penetration.
- Use as a pre perm for ease of winding and conditioning
- Apply to hair when dry before using straighteners gives added protection & shine
- Apply to dry hair like a serum for softness and added shine
